

Request Form for Rental of Long Beach Community Center

Rental of the Long Beach Community Center is offered to any Long Beach Civic Association Member. This membership is a yearly membership costing \$15 and is for an October to September time period.

For the cost of \$50/day the center is available for rent. The downstairs portion of the Community Center is leased to a business so we ask that no one enter the downstairs. As well, the playground and back yard of the building are not part of the rental. Your party of up to 50 people can enjoy the upstairs of the center. Use of the tables, chairs, bathrooms, kitchen, front yard, and parking area are included.

At the conclusion of the rental it is the renter's responsibility to clean (supplies included), return everything to the condition it was entered in, and remove all trash from the premises.

Rental fee must be paid before use of building on day(s) of rental.

Rentals are secured through:

Lee Steinberger. 410-586-2616 or coltnlee@comcast.net
